Somerset County Cubs

Before We Start

Please treat this like a normal Cub meeting.

- Listen when a leader is talking
- Mute Your microphone when you are not talking.
- If you have a question please raise your hand.

Cub Scout Disability Awareness Badge

<https://www.scouts.org.uk/cubs/activity-badges/disability-awareness/>

Tonight, we are going to complete some activities that help us to understand more about physical disabilities.

First..... Find some paper and colouring pens or pencils.

Now draw a picture of your favourite animal, person or place. Let's have a look at what everyone has drawn

Now.....

On a new piece of paper, draw the same picture, without using your hands!

Usually, we could choose to use our mouth or our feet for this, but to prevent the spread of germs at the moment, let's all use our foot this time!

**Let's look at everyone's
'foot drawing'!**

**How do they compare to
our 'hand drawings'?**

Indoor Scavenger Hunt!

Solve the Puzzles to find the items!

The Hunt is on!

You will need to find all of these items in your home?

- You will need to **unscramble** the word for each clue!
- You will have **10 minutes!**
- You **CAN'T** have help. So no help from Parents.
- You must get back with all your items before the time runs out.
