

Flag	Language	Currency	Capital city	Continent	Famous place	Name of scouts	How many scouts	Food eaten

International activity

Countries to find out about – choose any 5 of the following Japan Sweden Chile Canada Greece Netherlands Philippines Thailand Iran USA

Try to fill in the table above using books, internet and parents to help. You can draw the different countries flags, find out about famous places. Try and learn how to say hello and goodbye in their language and find out how warm it is there right now.

You can also find out about scouting in those countries, what do they call the various sections, how many scouts are there, are both boys and girls involved and of course the fun bit is about food. Find out the sort of foods they eat, what time of day they eat and how to cook it. Raid your kitchen cupboards to find foods from those countries and for Scouts and Explorers perhaps think about making a meal from those countries for your family over the next week.

And finally if you are feeling creative, find out about the world badge – do these countries have the same one as our purple world badge or is it slightly different and in what ways. Do you know what the world badge stands for – it's more interesting than you thought! This Scout Association worksheet will help

<https://members.scouts.org.uk/factsheets/FS260016.pdf>

Then the quiz bit – what do all the countries above have in common (clue - it's to do with international scouting!)

Enjoy Camp and send in your pictures of flags, food or your worksheets.
